The Experience You Need

Own It! – Speak with Impact

As a leader, every time you step up to a microphone, only one of two things will happen – you will either enhance your reputation or detract from it. Whether you're presenting quarterly results to your board or holding a meeting with your team, the leader that speaks with confidence wins the trust of the people in the audience.

Public speaking is a requirement for all leaders. If you want to lead, sooner or later you will be called upon to speak, and you must speak effectively.

When your next presentation or public speaking opportunity arises, don't wing it – own it! Learn to prepare, practice, and produce a memorable talk that will enhance your image as a confident leader.

Here are the benefits you'll receive:

- Develop your unique personal speaking style
- Boost your power of persuasion and increase your influence
- Learn to develop speeches and presentations for maximum effect
- Learn productive ways to control the jitters
- Elevate your leadership presence by applying rhetorical structures that create lasting impact.
- Master proven methods for avoiding crutch words
- Learn dynamic presentation techniques
- Boost your leadership presence by projecting confidence

Services include:

- Skills assessment and professional analysis
- Constructive feedback that's always positive
- Speech and presentation planning
- In person and/or remote rehearsal sessions
- Individual and team presentation coaching
- Full speech writing service for select clients
- Comprehensive graphics support available on request
- Video recording services available on request

It's Your Reputation!
